# NGUYEN HOANG PHUC

## FRONTEND DEVELOPER

### CAREER OBJECTIVE

I would like to experience a professional working environment as a FrontEnd Developer. I am a person who is always motivated to work, and with this position, I will be able to apply what I have learned to design a beautiful, user-friendly website interface, optimise performance, and comply with the company's project website standards.

### EDUCATION

**2019 - 2023** VNU University of Engineering and Technology

### EXPERIENCE
